CTFA File No. 13297

Dear Hideyuki Sato:

In response to your Form TN submission(s) for the assignment of the International Nomenclature Cosmetic Ingredient (INCI) name(s) to your material(s), please be advised that the International Nomenclature Committee has completed its review of your request.

The name(s) assigned to your material(s) is listed on the attached printout. Please check the printout for accuracy, and advise if revisions are needed.

Your name assignment(s) will be published in future editions of CTFA's *International Cosmetic Ingredient Dictionary and Handbook* and the *International Buyer's Guide*.

Petitions requesting the revision of an INCI name assignment must be filed on Form TN and accompanied by a cover letter which explains the reasoning for the change. Relevant information on chemical composition or other criteria which support the revision should also be included with the petition.

In addition, be advised that nomenclature assignments are subject to change if deemed necessary for technical accuracy or other reasons as determined by the International Nomenclature Committee.

We trust this information is helpful.

Sincerely,

Tara E. Gottschalck
